

REMARKS

No fee is due because the number of newly added claims is less than the number of canceled claims.

Apparatus claims 1-16 are canceled because they were non-elected in response to the Examiner's restriction requirement. Applicant intends to resubmit the canceled claims in a divisional application.

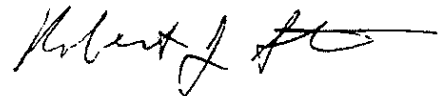

Claim 23, line 10, is amended to correct a typographical error.

Newly added dependent claims 36 and 37 are supported in the specification at page 11, lines 20-23.

Newly added dependent claim 38 is supported in the specification at page 12, lines 8-9.

Newly added dependent claims 39 and 40 are supported in the specification at page 11, lines 8-17. (The substrate is called a "workpiece" at page 4, line 21.)

Respectfully submitted,
